**Hi, my name is Lumír Sedlář** and I am 15 years old. I think I am really friendly and it's fun with me. My hobby is orienteering run. If you don't know what it is, it's simply what you would expect it is when you hear that word. You get map and run around checkpoints. Another of my favourite hobbies is long distance running. I am running races around 10 kilometres long, but I am preparing for half marathon. Then there is Scouting that I do because I like nature and camping but mainly because of the people there. I also like climbing, lifting and simply all sports.

Hey, I'm **Matěj Matalík**, a 14-year-old who just loves climbing stuff and playing soccer. When I'm not doing that, I'm strumming on my electric guitar, making up tunes that feel right. Oh, and video games? Yeah, they're my downtime – a chance to dive into some cool virtual worlds. Life's pretty chill, just enjoying the fun stuff.
